

Submitter: Kimberly Gallella

On Behalf Of:

Committee: Senate Committee On Rules

Measure: HB2004

I am strongly opposed to ranked-choice voting. In a state with 100% mail-in voting, we already lack sufficient transparency in the vote-counting process. For instance, I have no way to confirm that my voting choices were correctly applied. Adding further obfuscation to the process will further erode whatever trust currently exists in our voting system.
