

Submitter: Christina Bloom
On Behalf Of:
Committee: Senate Committee On Rules
Measure: HB2004

Horrible failed leadership trying to scam our state election system. Absolutely NO!
Vote NO! I vehemently oppose anymore changes to the corrupt voting system except
for exclusively in person voting with photo country issued legal ID prior to voting.
That's it! Nothing more or less. No crazy math computation or metric establishing
value to some percentage. No algebra or calculations. ONLY 1 PERSON = 1 VOTE.
IN PERSON WITH PROOF IDEALLY!
Only fritters and scammers would suggest such a corrupt "voting" system and spin to
sell. Just like you spun the sell of measure 110! NO!!!
