

Submitter: Dennis Mantello

On Behalf Of:

Committee: Senate Committee On Rules

Measure: HB2004

I STRONGLY OPPOSE HOUSE BILL 2004. We need the one person one vote, count /and vote on the same day, and the winner is the only person elected. No BS with election rules that is the constitution directed way and we will not support any change to the United States constitution from a bunch of left (or right) fools .
