

Submitter: Reta Vining
On Behalf Of: Citizens
Committee: Senate Committee On Rules
Measure: HB2004

Opposed rank choice voting. It is in conflict of interest to the Oregon constitution from selecting only one candidate and holding elections as traditionally performed in Oregon specifically, our primaries and our General elections. OPPOSE. It is an unconscionable idea and should be torn up and thrown away. You really need to go back and read and follow the Oregon constitution or be dismissed from ever running for office for even suggesting this proposal.
