

Submitter: Carolyn Richards

On Behalf Of:

Committee: Senate Committee On Rules

Measure: HB2004

Hello Senate Committee on Rules,

Ranked choice voting is an important way for voters to elect candidates that closely align with their and the majorities values, as well as provides a more diverse selection of candidates. These are essential to our representative democratic values and are important to me.

Please pass HB 2004 to the Senate floor for a vote.

Thank you.
