RE: Support HB 2004, Statewide Ranked Choice Voting,
Senate Committee on Rules

Chair Lieber, Vice Chair Knopp, and members of the Senate Committee on Rules,
My name is Gabrielle Jackson and I live in Saint Helens. I am writing to testify in
strong support for HB 2004, a referral to the 2024 ballot that would establish ranked
choice voting for statewide and federal elections.

In our current elections, fear of “vote splitting” is affecting both voters and candidates:
Candidates are often deterred from entering a race for fear of splitting voter support
and voters are often forced to choose a candidate with a better chance of winning,
instead of the candidate they actually prefer. As a result, many Oregonians –
especially people of color, working-class people, rural residents, and young people –
are less incentivized to participate in our elections. With over 70% of Oregon voters
“extremely” or “very” discouraged by politics, we need a solution that will empower
voters by giving them a real say in our elections.

I support ranked choice because other states and countries do it and it seems to
work well.

I am not alone in my support of this bill. This legislation is supported by a coalition of
over 35 organizations, including culturally-specific organizations, labor unions,
environmental groups, housing advocates, rural communities, youth-empowering
organizations, and good government groups.

Ranked choice voting is Oregon’s next step as a leader in election reform. Please
support HB 2004, which will refer this critical piece of legislation to voters for the 2024
ballot, and pass it out of committee.

Thank you,
Gabrielle Jackson
