Measure: HB2004

I am writing on behalf of hb2004 that I am testifying in support. My reasons I personally support are CV is I feel it will improve fairness to all in elections by allowing all our votes to rank all our candidates in order of our preference first second third and so forth. Also to ensure our votes of our first choice doesn't help them when then our vote will go to our second choice. I believe this ensures fairness in elections for all thank you Marilyn Melendez
