

Submitter: Rose Kaler
On Behalf Of: myself
Committee: Senate Committee On Rules
Measure: HB2572

Once again, we expand definitions to erode the Constitutional rights of Oregonians. This is becoming an all-too-common practice and must be stopped. We are a CONSTITUTIONAL Republic. Not a democracy. Read, understand, and follow the constitution. (take some classes)

I strongly oppose HB 2572
vote no on HB 2572
