Testimonies

The mere existence of the Housing and Community Services Department makes me want to puke.

Thoroughly review [SB 5511(2023)] Section 5 below.

[SB 5511 (2023) Section 5]

<https://olis.oregonlegislature.gov/liz/2023R1/Downloads/MeasureDocument/SB5511/Introduced>

What is the total Housing and Community Services Department's debt?

The Debt Service is [\$155,800,792.00] taken out of this session's GENERAL FUND.

I firmly reject the philosophy of turning the Housing and Community Department (HCSD) into a financial institution loaning money and financing loans.

I firmly reject the use of my tax money to be used to support loans to individuals who do not qualify for financing a home and do not make enough money to buy one without a taxpayer-subsidized loan.

The additional powers conferred up HCSD, to loan money ensures a segment of Oregon's population will be indebted to the state.

[HB 2761] as a "financial institution" is a "Vote buying machine" subsidized by taxpayer money.

Review the debt service of HCSD to be paid out of the GENERAL FUND- {\$155,800,792.00}.

[HB 2761] is nothing more than a "slush fund" to ensure Democratic rule.

[HB2761] expands the cost and increases the size of state government.

Oregon Housing Stability Council (OHSC) Members are political appointees. The OHSC should be eliminated.

*****The continued threat to our Republic is the existence of "Super Majority State Legislatures."**

*****Super Majority States (like Oregon) are nothing more than feudal dictatorships.**

Mr. Oregon Concurr and says, "Super-majority Legislatures of any party should be outlawed."
