Written Testimony before the House Rules Committee in Support of House Bill 2029

Dear Chair Fahey, Vice-Chairs Breese-Iverson and Kropf, and
Representatives Nosse, Scharf, Valderrama, and Wallan,

The Oregon Association of County Clerks (OACC) urges you to support House Bill 2029.

HB 2029 would increase the minimum size of type on recorded instruments from 8-point to 10-point.

8-point type has always been difficult to read, especially when scanned into modern systems that make these critical documents more accessible to the public and other users.

Standard forms by persons engaged in real estate transactions are now all at least 10-point. We should update our statute. Please join OACC in supporting HB 2029.
