

Submitter: David Wall  
On Behalf Of: Mr Oregon Supports HB 2030  
Committee: House Committee On Rules  
Measure: HB2030

Wednesday [01.18.23]

I SUPPORT [HB 2030].

Compassionate assistance to the bereaved is appropriate.

The mere fact that worthless politicians would use fees (placing 'Fees' masquerading as 'Taxes' on real estate transfers to fund 'affordable housing projects') is completely inappropriate as well as discriminatory per se.

Good Job with [HB 2030]!

Mr. Oregon Concurs...(There should be a special place in Hell for those politicians who would place 'Fees' (Taxes) on Real Estate transactions to fund bogus 'Affordable Housing' projects.)
