On Behalf Of: Mr Oreon Suports HB 2203

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure: HB2203

Friday [01.20.23]

I SUPPORT [HB 2203].

The Oregon State Police (OSP) and additional Law Enforcement resources should be assigned to rid Oregon of illegal aliens working in marijuana grow operations whether these operations are legal or not. The injuries to the farm economy and lives of our farmers and rural residents is in continuous jeopardy from this sector of the criminal element.

Review the Testimonies of Ms. Sharon Waterman and Becky Crockett of Curry County Oregon.

From the Testimonies of Ms. Sharon Waterman and Becky Crockett and in my opinion only, referencing and incorporating criminal activities associated with, "Modern Day Gypsies-People living in Recreational Vehicles (RV)" in Portland, Yamhill County and Curry County (and I suspect the entire State of Oregon), additional legislation is required to prohibit 'parking anywhere on Oregon Roads-parking only in designated areas'. These RVs can serve as 'Base Camps', housing the criminal element until they strike; stealing farm equipment (actually, stealing anything of value), damaging property, causing severe emotional distress to rural residents and farmers and are a significant threat for the creation of wildfires.

By supporting [HB 2203] I may be screwing myself and my neighbors who live in Yamhill County. The Yamhill County Planning Department DOES NOT ENFORCE CONDITIONS SET FORTH IN PERMITS. So, if [HB 2203] passes, which I hope it does, RVs can become common place, not for 'Security of Farm Operations' per se but, to be used as 'Accessory Dwelling Units (ADU)' to be 'Rented out' for a variety of reasons. ( I wouldn't be surprised if RVs will be used as 'Mobile Brothels'.)

On behalf of the good folks in Curry County, direct OSP to bring the criminal element into submission with dispatch. Further, Illegal Aliens taken into custody, should be classified as 'Narco-terrorists" to be held (without Bail) for Federal Authorities. If the Jails become to full, activate Military Police Units within the Oregon State National Guard to construct and staff stockades.

I hope all of you have a good day.

David S. Wall

Mr. Oregon Concur...Why not use Military Tribunals to prosecute 'Narco-terrorists'...sure works for me.
