On Behalf Of: Mr Oregon Supports SB 479
Committee: Senate Committee On Natural Resources
Measure: SB479

Saturday [01.20,23[

I SUPPORT [SB 479].

[SB 479] will create another food source to minimize food costs and thereby relieve hunger.

Could [SB 479] be 'Amended' to reduce costs for 'Elk and Deer' tags? Damage to range and pasture lands by herds of Elk are well documented. [SB 479] could justify the increase in the number of Elk and Deer that could be taken,

[SB 479] might be also used (with a little tailoring) to facilitate [HB 2689 (2023)].

Good thoughts to increase access to food.
