On Behalf Of: Mr Oregon Opposes HB 2675  
Committee: House Committee On Business and Labor  
Measure: HB2675

Sunday [01.22.23]

I OPPOSE [HB 2675].

[HB 2675] is "vague and ambiguous" as to specified uses.

[HB 2675] Can increase: criminal activity, vehicular traffic, wildfire dangers and nuisances.

In Yamhill County there have been issues involving Marijuana processing in agricultural buildings. A couple of such buildings are 'permitted' for uses involving the volatile Ethanol-Butane processing without any "Fire Department" inspections and or groundwater consumption volumes. Another Marijuana processing operation was shut down due to allegations the Marijuana processing was busted for 'illegal operations' and alleged 'drug trafficking'.
