

Submitter: Curt Nichols

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB420

Traumatic brain injuries have hit close to home in our family. Unfortunately, the best TBI rehabilitation hospitals are not equally close to home. There's no reason that Oregon can't be a leader on this front. I fully support this bill and look forward to the day that Oregonians working through TBI recovery will have more and better facilities and support available to them right here in Oregon. Thanks.
