

Dear, Next up,

2/24/21

My name is Michael Stone and I am an inmate a S.R.C.I.

I have never voted but I would like the opportunity to do so. I do not know how to find the information I would need about issues and candidates that would be on the ballot during an election. I do not know to register to vote.

I support this legislation, and it would mean the world to be able to vote. I would like to be a part in what happens even if its as small as my vote when it comes to issues and candidates. If I don't agree with something, or agree, I'd like to have a part. I would like my comments seen.

Thank you

Sincerely
M Stone
