

Submitter: Livia Gonzales

On Behalf  
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and  
Water

Measure: HB2616

Raw milk that is unprocessed is complete with bioavailable vitamins, minerals, enzymes, beneficial bacteria, naturally occurring CLA and Omega-3 fatty acids. We consumers need access to raw milk to avoid the antibiotics, synthetic hormones, toxic pesticides, or GMO anything. Please pass this bill to allow the sale of raw milk in Oregon. Thank you.
