

Submitter: Donna Bleiler  
On Behalf Of:  
Committee: Senate Committee On Education  
Measure: SB531

I OPPOSE ADDING GENERAL FUND MONEYS IN SB 531.

I don't oppose the program, but voters voted to fund summer programs through lottery funding. It has provided a good program, and it should be kept to what lottery funds can provide. Lottery funds have increased, so additional funding is unwarranted when the state budget has to be slashed.
