On Behalf Of:

Committee:                 Senate Committee On Judiciary

Measure:                    SB579

Respectfully I oppose this bill, and I am asking for you to vote against it. We are having increased violence, home invasions. rape, robberies, car theft, car jacking (with babies in the back seat!), school?? killings, stabbings, entire families being murdered, etc...

PLEASE! Do not do this!! ??

thank you.
