

Submitter: DeAnn Rice

On Behalf Of: RKS FARMS

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure: HB2616

Please support this bill. If unpasteurized milk is labeled, consumers have the chance to make educated/informed decisions to buy.

Buying local is a great way to connect consumers with their neighbor suppliers, and cuts down on fuels used for longer transport of milks from out-of-region.

I trust our local small scale suppliers.
