Committee: Senate Committee On Judiciary

Measure: SB579

The main purpose of jail is to protect the citizens from the criminals. To allow them to have a say in the leadership, policies or laws of the land Due to their "unique" situation an inmate may have the most harmful purpose to vote for a law, tax or politician. Inmates have limited information allowed and thusly have no trustworthy news in which to form an opinion on current events. Do they pay taxes? Until a sentence is served and completed there should be no inmate or parolee voting.
