

Submitter: Kevin Gambucci
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB579

Dear Senator, I'm writing to let you know I would like you to vote on rejecting SB 579. These people are in jail because they have chose to do things wrong and have lost their rights. By giving this segment of the population a vote it is the same as purchasing votes and should not be allowed. Thank you for your consideration. Kevin Gambucci.
