

Submitter: Rick Coufal

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB579

As a retired US Army Colonel and retired Oregon Law Enforcement i am against this bill. While an inmate is serving time for a crime(s) they committed thier right to vote should be withheld. Upon thier release from prison they should have ALL of thier rights restored because they have served thier time (sentence) and they have paid for thier crime(s).
