

Submitter: MARK ZIRKLE

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB579

Hi Judiciary Committee,

Tho you may think convicted felons should have the privilege of voting, if they had not committed the offence against our laws, I would agree. Those in Jail and Prison are there because they earned that bed. Once becoming a convict you loose the rights of those in society.

I erge you in the strongest terms to vote NO on this unfortunate bill!!

Mark Z
