

Submitter: Melissa Juans-Munoz  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB579

Hello,

I am writing this testimony in support of allowing persons convicted of felony to register to vote, update voter registration and vote in elections while incarcerated.

I feel passionate about allowing all people to vote. To me voting is a human right too and one that needs to be practiced as such. And I believe no one should be stripped of their right to vote and participate in elections even if they have a "criminal" record.
