HB 2160 HOUSE COMMITTEE ON EMERGENCY MANAGEMENT, GENERAL
GOVERNMENT, AND VETERANS

Oppose changing holding year(s) time for Oregonians unclaimed financial property. Legislature/Treasury could do a far better job at contacting people listed on the unclaimed property list. Treasury needs a better campaign, than the minimalist/dismal campaign attempted recently, of Unclaimed Property a priority of Treasury.

Seems Oregon Legislature is all too happy at the opportunity of padding the Oregon General Fund with Oregonians hard earned money or private investment funds.
