Committee: House Committee On Economic Development and Small Business

Measure: HB2909

To whom it may concern,

We are in support of HB2909 and Rogue King Seafood DBA Fishermen Direct Seafood Gold Beach Or is in full support of OCVA for there efforts to sustain local businesses as ours. Locally caught sustainable seafood is the staple of our store. Logistics on getting seafood to our store are limited by access via rogue river bar crossings. Being located next to river boat excursions there are country wide visitors to our store and they are impressed with locally caught seafood. Not having to buy seafood from other areas of the world is a must. We will continue to work with OCVA and benefit in any programs and grants made available to them. Funding is essential to the growth of local communities and small business seafood stores. We encourage you to pass HB2909 for continued funding.

Thank you Bruce Perdikis
