Committee: Joint Committee On Transportation
Measure: HB2289

Members of the committee, thank you. I'm Jessica Spiegel, with Western States Petroleum Association (WSPA). WSPA is a non-profit trade association that represents companies that explore for, produce, refine, transport and market transportation energy supplies in Oregon and four other western states, including petroleum products. Our members support the ODA recommended reference changes. WSPA members agree with the agency that the bill represents a minor reference change.
