

Submitter: London Stricklin

On Behalf Of: consumers

Committee: House Committee On Economic Development and Small Business

Measure: HB2505

My name is London Stricklin and I'm writing to urge you to oppose HB 2505, a sales tax that will decrease consumer choice by financially pressuring small businesses. In Beaverton where I live I can trust that cannabis products are tested and labeled, tracked and legal. I'd like these things to continue to be true!

Please oppose any sales taxes or tax increases. It's just not the Oregon way!
