

Submitter: Pam Clark

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB799

Measure SB 799

I am an independent landlord who relies on my rentals for the bulk of my retirement income. SB799 has the ability to wipe out all my income if these polices are enacted. By enacting this bill you are forcing small landlords out of business. There is no way I can stay afloat if this measure passes. Pam Clark
