RE: HB 2320

Chair Knopf, Vice-Chair Andersen, Vice-Chair Wallan, and members of the committee:

I am writing on behalf of Oregon Voices in support of HB 2320. We have long felt that the work of Oregon's Criminal Justice Commission provides information and data of value to a system that prizes evidence-based practices.

We believe that the breadth and balance of the proposed commission is wise, and we hope that nesting the commission under the CJC constitutes an important commitment to finding and implementing best practices for the treatment of juveniles going forward.

Sincerely,

Ken Nolley for Oregon Voices
