Measure: HB2505

My name is SC and I'm writing to urge you to oppose HB 2505, a sales tax that will decrease consumer choice by financially pressuring small businesses. The industry as a whole is currently collapsing and this tax increase will impact our industry in a very negative manner. In southern Oregon where I live I can trust that cannabis products are tested and labeled, tracked and legal. I'd like these things to continue to be true!

Please oppose any sales taxes or tax increases as consumers will not be able to afford to purchase cannabis and will only drive away business

Thank you kindly
