I am writing in support of HJR 5

I am a life time resident of the state of Oregon. I grew up hunting and fishing in this wonderful state. The right to hunt and fish has help provided a family bond with my Mother and Father, my two daughters and now my grandchildren. Our family has been provided with healthy food from hunting and fishing all of our lives.

Please protect my family's right to hunt, fish and harvest these animals to feed my family. This right will help continue this family bond and provide food source for generations to come.

Sincerely

Gregory T Smith
