

Submitter: Jesse Lohrke  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HJR5

Dear Members of the Committee;

Please support HJR 5. It seems absurd to lifelong Oregonians that such a measure is necessary, but the right to fish and hunt has been called into question, and the people of the State at this point should have the opportunity to affirm at a constitutional level our hunting and gathering heritage.

Respectfully,  
Jesse Lohrke
