

I OPPOSE [SB 521].

I would have gladly SUPPORTED [SB 521] but in the Text: [Page (1) at (24-26)] reveals a "nonprofit entity-to provide a screening function" is unacceptable.

If [SB 521] passes link [SB 487 (2023)] Molar sealing to reduce cavities so the kids and the taxpayers will get a "2-fer."

David S. Wall

Mr. Oregon Concur....Get rid of the "nonprofit entity."
