Re: [HB 2750](#) – Prohibits charging of fees or requiring of participation in fundraising activities as condition of participating in interscholastic activities. – **Support**

In the 1960s, the League of Women Voters nationally began building a foundation of support for equal access to education. The fight against discrimination broadened in the 1970s, and 1980s, and continues today.

Based on these many longtime historical positions, we the LWV of Oregon believe legislators should support HB 2750. The basic intent of this bill sets a legal precedent throughout our state for equal rights in education, despite difficulties families may have in their ability to pay for participating in interscholastic activities.

We urge your Support for HB 2750.

Thank you for the opportunity to discuss this legislation.
