

Submitter: Alanna Swenson
On Behalf Of: Lewis and Clark Montessori Charter School
Committee: Senate Committee On Education
Measure: SB767

Our family and community benefits greatly by continuing to allow Lewis & Clark Charter School to operate in a different district than its sponsoring district. Termination would likely result in the inability for this school to continue. Many lives and families of Lewis and Clark Charter would be negatively impacted, not only with this schools closure, but for the fact of having limited viable educational options.
