

Submitter: Tiffany Kilpatrick

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB767

We need Lewis and Clark, my three children have thrived with them and would be devastated to lose this community. Our district has not renewed our lease, forcing the school to move. With such limited time we need to do what we can and may not be in district. Obviously we would love to stay in district, but we can't be picky and we must keep our school open.
