

Submitter: Wendy Fullerton

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB767

I am writing in support of Senate Bill 767. I do not believe it is either reasonable or practical for a charter school to be physically located in any district other than the sponsoring district. I believe it was an oversight on the part of the sponsors of the original charter school bill to not clarify that only 'virtual' charter schools can be located in a non-sponsoring district. Please pass SB 767!
