

# SUPPORT SURVIVORS

BY SUPPORTING THE PROGRAMS THAT SERVE THEM

## HB 2933 \$10 MILLION FOR ODSVS TO END DOMESTIC & SEXUAL VIOLENCE

The Oregon Sexual and Domestic Violence Services Fund (ODSVS) is the **only** state general fund source of support for community-based, culturally-specific, and Tribal programs providing confidential, trauma-informed safety and support services to survivors of domestic violence and sexual assault (DV/SA) in communities across the state. The need for these supportive services continues to grow and the burden of essential service provision is challenged by staffing shortages, lack of funding, and other obstacles. **Support \$10 million for Oregon Domestic and Sexual Violence Services to help programs across the state continue to provide necessary and life-saving services.**

*"We have recently used the Oregon Sexual and Domestic Violence Services Fund for our volunteer program –which has been the center for trained and experienced volunteers and employees throughout the domestic violence continuum."*

### PROJECT DOVE, MALHEUR CO.

"Malheur County has been designated as a "frontier region" by the State of Oregon. Simply put, cell phone service is limited, driving distance is great and the need to provide assistance to victims requires travel expenses that can cost several hundred dollars. **ODSVS** funding helps pay costs so that we can continue to provide services."

<sup>1</sup>In a statewide survey, respondents identified **ODSVS** and Housing Assistance for Survivors as the highest priorities in need of new/additional investment.
