On Behalf Of: Lewis and Clark montessori charter school
Committee: Senate Committee On Education
Measure: SB767

Lewis and Clark Montessori charter school would be forced to close if this happens. This would have such a detrimental impact on our children and community. We lost our building and have to find a new one quickly with limited money. Our new location will be less than a mile out of our district boundary. If we are forced to stay in the boundary this will put us in a rural area with no public transportation, thereby limiting students who can attend.
