On Behalf Of: Mr Oregon Opposes SB 632
Committee: Senate Committee On Housing and Development
Measure: SB632

I OPPOSE [SB 632].

"Requires Oregon Department of Administrative Services to provide grant and loan to specified entity to develop multifamily dwellings, affordable to moderate income families, using scaled modular or prefabricated construction." Isn't this just precious.

The "Oregon Department of Administrative Services" is going to give out money for "...scaled modular or prefabricated construction?"

Why is "Oregon Department of Administrative Services" acting as a "financial institution" giving out development money for "...scaled modular or prefabricated construction?"

Another, socialist financing scheme to fund housing projects enriching others at taxpayer expense.

Taxpayers want "kickers" if you are going "throw our money away" and or "give our tax dollars to someone else."

Review and significantly downsize budget allocations for the "Oregon Department of Administrative Services."
