

Submitter: Kai L  
On Behalf Of: Lewis and Clark Montessori Charter School  
Committee: Senate Committee On Education  
Measure: SB767

Hi my name is Kai and I am a student at Lewis and Clark Montessori Charter school and I don't want bill 767 to pass because I have made lots of friends here and I don't want to lose them. The teachers are really nice and they teach us in a great way that I really like.
