On Behalf Of:

Committee: Senate Committee On Education

Measure: SB767

I urge you to oppose sb 767. Parents and students deserve options and choices for education. 60% of us democrats support school choice. Oregons public education system is dismal - we consistently are ranked in the bottom percentile for education and have for decades. Please oppose sb 767 so parents and students have the option of choosing a better way of educating the child than the public systems if they want.
