Measure: SB767

I oppose SB 767.

Four of our children attend or have attended Lewis and Clark Montessori Charter School. The school is being forced to relocate and the only suitable property is outside the Gresham-Barlow School District, which is the sponsoring district.

Lewis and Clark Montessori Charter School provides a learning environment not available in other nearby schools. We've been part of this school community for 8 years and would be devastated if it was forced to close due to SB 767.
