Hello, my name is Bridger. I go to Lewis and Clark Montessori Charter school. I honestly have no idea what is happening but I like going here. i am in 6th grade and il don't want to go to some random middle school. I've had a bad experience with public school. In 2nd grade I was bullied and beaten up every day. I moved to Lewis and Clark halfway through the 2nd grade year, not only is there no bullyin, but also the teaching styl is easier for me to learn. I live in Gresham, Oregon and I am 12 years old. Last year in 5th grade I went through a stage of extreme depression. All the bad things that happened in my life just squished together and I basically fell apart. This year, I am doing a lot better. I'm happier and I've made new freinds, everything is better.
