

Submitter: Debbe Klaja
On Behalf Of:
Committee: House Committee On Rules
Measure: HJR5

It's called Freedom! Too much is being taken away. We have the right to feed ourselves and not depend on the government for our food. We prefer healthy, clean meat. We enjoy the hunting tradition with family and friends and putting food on the table. Or fishing in a beautiful lake! I agree it should be managed as it is now. But it should NEVER be denied us!
