

Submitter: Jonesie Sisco

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB491

I am a Registered Nurse serving the community for years. It is just ironic that no insurance will cover for fertility treatments even in my workplace in wanting to build a family. We've suffered enough emotional strain plus the financial burden of this but we will not stop til we make our dreams come true. I am supporting this cause and hoping that Oregon will open up just like in any other states.
