

Submitter: Makea L  
On Behalf Of: Lewis and Clark Montessori Charter School  
Committee: Senate Committee On Education  
Measure: SB767

Hi my name is Makea. I have gone to Lewis and CLark Montessori Charter School since I was 3 years old. If bill 767 passes I will not be able to go to school here anymore. I will be leaving my friends and have to go to public school and it will affect thousands of people.
