

Submitter: Karen Hensley

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB2137

As a resident of Salem since 1973, I am absolutely in favor of this bridge construction. It has been debated over many years and it is time to take action to enhance the future of Salem providing smooth traffic flow between Salem center and West Salem. In the event of unexpected emergency bridge closure a third bridge is a must! In my opinion a third bridge is long past due for the vitality of our city!!
